Recess Notes

Please refer to website for specific departure and arrival details for all recesses and to submit travel plans.

During each recess the dormitories are closed during the periods listed.

All boarding students are required to submit online travel forms at least two weeks before the beginning of each recess detailing their plans for departure and return.

International students should contact the International Student Coordinator as soon as possible if they would like assistance for where to go during any recess.

DARE TO

Recess Travel Planning 2019 – 2020

ALL boarding students are required to submit an online travel form at least two weeks before the beginning of each vacation period detailing their plans for departure and return.

The dormitories will be closed during the vacation periods listed below. Families are responsible for arrangements for students during these periods. The earliest departure shown are the earliest times that a student can leave the school campus; when booking flights, allow sufficient time to get to the airport and go through the security lines. We encourage families to make vacation travel plans well in advance so that students do not have to leave school early or return late because of flight schedules.

International students who are not planning to return home during a recess may be invited to stay at the home of an American student. Students who need assistance with arrangements should speak with the Dean of Students Office several weeks before the beginning of the recess.

The Darrow School arranges transportation to and from the Albany International Airport, MetroNorth and Amtrack train stations, and bus terminals at the beginning and end of breaks for students who request it on their travel forms by the announced deadlines. A late transportation request will be accommodated only if the student's request fits a trip that is already organized and has available seating.
